

Product Specification Sheet

Taqua T-5 Sink Mixer with Built in Filtration System Chrome – TAQ006

Taqua's stylish T-5 in-tap system provides you with safe, clean filtered water whenever you want. The filtration system sits inside the tap, meaning it doesn't take up precious space below your kitchen bench, and the retractable hose allows for great range of movement and coverage.

- ✓ Pull out sink mixer
- ✓ Filtered water available by turning the knob
- ✓ Spray nozzle with extendable hose
- ✓ 5* WELS rated, 6L/min
- ✓ Chrome finish (also available in matte black)
